

HDM - RECOGNITION

The Office of Textiles and Apparel (OTEXA) of the U.S. Department of Commerce is sponsoring a USA Sample/ Catalogue Pavilion at the upcoming European Outdoor Show (EOS) in Friedrichshafen, Germany July 17-20, 2008. The EOS is a major international trade show, focusing on active sports apparel performance textiles, sports equipment, and related accessories.

SuperFabric® brand materials was selected as one of seven U.S. Textile-related companies to showcase their products in the OTEXA pavilion. The 2007 EOS attracted over 700 exhibitors from 40 countries, and had approximately 10-15,000 buyers, agents, and distributors attending.
